**Writers:** Sasha / Natasha / Mrs. Knight

**Actors**

- Ariella
- ClaireZ

**Summary:** The news from the world-famous Bala Cynwyd Middle School

**Script:**

ClaireZ: Good evening, I'm Claire Zwolak.

Ariella: I'm Ariella Tszylar and this is School Day Update.

ClaireZ: We're here live – and we're actually live right now, not pre-recorded...

Ariella: To bring you the latest news for the world famous Bala Cynwyd Middle School.

ClaireZ: Next week begins Willie Wonka Week.

Ariella: Wait, what?

ClaireZ: Yeah, Willie Wonka Week. There are posters everywhere.

Ariella: I haven't seen any.

ClaireZ: Well, there are hundreds of posters down the stairs and in the hall leading to the cafeteria.

Ariella: Oh! That explains it. I don't go to the cafeteria.

ClaireZ: Why not?

Ariella: Oh. Let me count the ways! Which brings us to our new segment called, "Top 10 Reasons Not to Eat in the Cafeteria"

Number 10: Mozzarella sticks should not be crunchy on the inside.

Number 9. The hard-boiled eggs are mushy and wet. That makes them good for throwing but not for eating.

ClaireZ: Oh, so that's how eggs ended up all over the field outside.

Ariella: Yep.

Number 8. The line is always so long, you've finished eating before you actually pay for your food.

Number 7. Skin on top of the cheese sauce.

Number 6. When you open the packaged waffles, they deflate.

ClaireZ: Maybe think of them as crepes?

Ariella: No.

Number 5. Should there be air bubbles in the burgers? I don't think so.

ClaireZ: Ew. Yuck.

Ariella: Number 4. A small bottle of apple juice costs \$3.

ClaireZ: I don't think we paid that much for juice when my family went to Disney!

Ariella: Number 3. I love vegetables. But not if they're soggy and mushy. Could we get something not canned?

ClaireZ: Yeah! Support local farmers!

Ariella: Number 2. Speaking of soggy and mushy. What exactly is "wet meat"?

ClaireZ: I have no idea. And I don't want to know.

Ariella: And the number 1 reason not to eat in the cafeteria: There are mice all over the school. Just sayin.

ClaireZ: Blech!

Moving on to entertainment news. Jojo Siwa is going viral for her new song "Karma."

Ariella: <starts humming the song and vibing>

ClaireZ: <signals for Ariella to stop>.

But we cannot play it right now because this is a school environment.

Anyways Siwa claims that, with this album, she's invented "gay pop."

Ariella: Wait, what about Lady Gaga? Madonna? Queen? Abba? Elton John? The Village People?

ClaireZ: Yeah. Siwa's comeback is less like a boomerang and more like a plain old stick.

Ariella: In other news, Taylor Swift's latest album, *The Tortured Poets Department*, is amazing. Of course, that's no surprise for the amazing talented and business-savvy Swift. Who, by the way, is still dating Travis Kelce of the Kansas City Chiefs.

ClaireZ: That's football, right?

Ariella: I think so.

ClaireZ: This is the point in our School Day Update where we tell you everything we know about sports.

*<both sit quietly for several seconds just looking at the audience>*

ClaireZ: Okay, then. Back to Bala Cynwyd Middle School. Monday is an A Day. There will be a D Day lesson during I&E. Yes, D on A during I&E.

It's also National Insert Random Day Day.

Ariella: What's the Random Day?

ClaireZ: Insert Random Day.

Ariella: Yes, what's the random day.

ClaireZ: Insert Random Day.

Ariella: What's the day?!

ClaireZ: No, what's on second. Who's on first. And it's Insert Random Day Day.

Ariella: Aaarrrgh!

ClaireZ: Congrats to Mrs. Lee on her new child, Payton.

Ariella: You'd think she would get enough of children just being a teacher.

*<Both nod at each other>*

ClaireZ: In other news: Our superintendent Dr. Yanni is leaving after only one year.

Ariella: Didn't the last guy also leave after one year?

ClaireZ: I guess he did... do you think that say something about our schools?

Ariella: Are we really that bad?

*<ClaireZ pats Ariella on the shoulder>*

ClaireZ: The girls tennis match will take place tomorrow after school. Players will be dismissed during Period 8.

Ariella: Wasn't that announced yesterday?

ClaireZ: Yes.

Ariella: And the day before?

ClaireZ: Yes.

Ariella: And the day before that?

ClaireZ: Yes, it's been announced every day for a month.

Ariella: So, is there actually a tennis match tomorrow?

ClaireZ: No, it happened about three weeks ago.

Ariella: *<shakes head in dismay>*

ClaireZ: There is a scheduled fire drill on Thursday at 10:30 AM. *<pause>*  
The fire drill will be canceled on Thursday morning at 9:30 AM.

Ariella: Okay, that's all the time we have.

ClaireZ: How do you know? All the clocks in the building are set to different times.

Ariella: We've reached the end of the script.

ClaireZ: Oh, that makes sense.

*<outro music starts>*

Ariella: I'm Ariella Tszlyer.

ClaireZ: And I'm Claire Zwolak.

Both: And this has been School Day Update.

Once upon a time  
a few slices ago  
you were in my sights  
I got you alone  
I ate it. Ate it. Ate it-t-t-t.

I guess I didn't care  
For onions or 'shrooms  
Only wanted sauce  
But there is always room  
For more cheese. More cheese. More chee-e-e-e-ese!

And it's loooooong gone  
if it's neeeeeext to me  
And I reeeeeaaaalize  
the box is empty!

But I knew you had pizza when you walked in  
so share with me now!  
De-liv-ry from places I've never been  
Way 'cross town, oh  
I knew you had pizza when you walked in  
so share with me now!  
De-liv-ry from places I've never been  
Now I'm lyin' on the cold hard cheese  
Full, full  
Pizza, pizza, pizza  
Full, full  
Pizza, pizza, pizza

No apologies  
I ate a whole pie  
Pretend I don't know  
Who took the last slice  
I'm lying, lying, I'm ly-ing-ing-ing-ing.  
And I heard you brought more  
Can smell it in the air  
Pass it over here  
I've got room to spare  
I'm starving, starving, starving-ing-ing-ing

And the saddest fear comes creeping in  
There's not enough for me or her or anyone or anything  
Yeeeeaaaaahhhhhhhh

**Writers:** Adam/Josh

**Actors**

- Gecko – Josh
- Doctor - Natasha
- Janie – Ariella
- Aflac Duck
- Jake from State Farm

**Summary:** Emotional support insurance mascots aren't helpful.

**Script:** <https://docs.google.com/document/d/1LDyKd3qYrO-D4J9boGggpphil4v6bPW3ux87buASZKc/edit?usp=sharing>

*<little kid in hospital room. Doctor enters with clipboard>*

Doctor: Hi, Janie! Are you ready for your procedure today? I promise it won't hurt too much.

Janie: That's okay! The hospital's emotional support dog will help me through it!

Doctor: Oh, sorry Janie, Bandit is out today.

Janie: NOOOOOO! I'm not doing this. Let me out of here! *<gets up and starts to run but the doctor stops her>*

Doctor: Don't worry! I have the next best thing.

Janie: *<skeptical>* What?

Doctor: An emotional support insurance mascot!

*<Geico gecko enters>*

Doctor: It's the Geico Gecko!

Gecko: Hey, kid! Want some insurance?

Janie: *<cautiously and slowly approaches the gecko>* Um, what's insurance?

Gecko: It's perfect for giving you peace of mind! *<Gecko flings out arms in enthusiasm and knocks Janie down>*

Janie *<crying>*: Oww! Can you help me up?

Gecko: No, but you can file a claim.

Janie: What??? *<cries harder>*

Gecko: Don't cry! All you have to do is talk with five different agents, each of whom will give you different instructions. Then file three copies of the necessary paperwork – which is NOT available on our website. And, of course, this is only after you meet your deductible. You'll have to call another agent to figure out what that is.

Janie: *<cries harder>*

Doctor: I'm sorry, lizard, but you're fired.

Gecko: First, I'm a gecko. And second, WHY!?!

Doctor: *<gestures wildly to crying kid>*

Doctor: Plus, All State has better rates.

*<Gecko storms off stage>*

Doctor: Alright, Janie, how about a cute ducky?

Janie: <stops crying> Okay, I guess. <climbs back in bed>

Duck: <walks on stage> Aflac!

Janie: What?!

Duck: Aflac! Aflac! Aflac!

Janie: That's so annoying!

Duck: Aflac! Aflac! Aflac!

Doctor: But isn't he cute?

Janie: <starts crying again> He's not making me feel better.

<Doctor pushes the duck off stage as he keeps saying "Aflac">

Doctor: Alright, let's try something completely different. <hollers off-stage> Jake from State Farm, come on in!

Jake: <sings> Like a good neighbor, State Farm is...<stops suddenly when he sees Janie crying> I think I'll just stay right over here, away from your whole emotional meltdown. We don't cover mental health issues.

Janie: <wails> I really don't understand how insurance is supposed to help me. <covers head with blanket>

Doctor: <walks off> I don't get paid enough for this.

ClaireZ: What should we name our new computer company?

Ariella: How about... Alexa?

ClaireZ: No. Who would use that name for anything?

Tif: Hmm... *<takes an apple out of the basket on the table and bites into it>* How about Byte? B-Y-T-E. Wait, that's too basic.

Liu: I totally agree.

Tif: Really?

Liu: Yeah, about the "too basic part"

Tif: *<sarcastically>* Ha. Ha.  
*<ClaireZ gives Liu a stern glare>*

Ariella: How about Plains? Like in "great plains." Get it – our products are great.

Liu: That's a bit plain. *<high-fives the person next to them>*

Emma: Enough. I've got it. Our name will be *<pause>* Zeppelin.

*All except Emma and Josh murmur that they don't really like it*

Emma: Hey, you! *<Points at Josh.>* Do you like my idea?

Josh: U-u-hh, s-sure...

Tif: *<elbows Josh>* No, you don't!

Ariella: Yeah, let's do something like Dell, or Samsung, or Microsoft!

Tif: Pretty sure those are already taken.

Josh: Uhh... how about... Aurora?

Ariella: Hey, I kinda like it! I knew you could come up with something good!

ClaireZ: Not bad.

Liu: Cool!

Tif: I mean, it's cool, but pretty sure Disney will have a problem with it. And they've got lawyers.

Emma: Meh. I like mine best so far. Zeppelin is an awesome name.

ClaireZ: We need to focus.

Liu: *<stands up and starts pacing>* Think. Think. Think.  
*<Everyone thinks deeply, except Emma who is pouting>*

Liu: I have an idea! *<Slips on long cape>*  
*<Everyone laughs>*

Josh: We should name our company Slipper!

Liu *<getting up>*: Very, very, funny.

Tif: I don't think we're ever going to come up with a name.

Ariella: Of course we will! Just do something simple! Like Lemongrass.

Emma: Who names their company Lemongrass?! Let's go back to Zeppelin.

*<Everyone shushes Emma>*

Ariella: Eggplant?

*<everyone shakes their heads>*

Ariella: Pear? Persimmon? Cheesecake?

Josh: I like the "simple" part. I think we're on the right track. *<picks up an apple from the bowl>* H-how about Apple?

*<everyone sits back in their chairs, pondering>*

ClaireZ: Not bad. I kinda like it.

*<general murmurs of agreement>*

Emma: Hmph. What about... *<person next to Emma put their hand over Emma's mouth>*

ClaireZ: Okay. It's settled. *<picks up an apple and tosses it in the air>* Our company name will be... Apple.

*<everyone applauds>*

Emma: Aww, drat. Well, some rock-and-roll band would probably sue us for using the name Zeppelin anyway.

Belmo: Okay okay, (singy-songy) time to leave~!

Natasha the Blue Square: (as they're being pushed) Lardares, arm arvararbar!

Emma: Belmo, when will we have to use colors?

Belmo: Well, let's see. What is this?

*(A picture of a traffic light on red appears behind them)*

All: A traffic light!

Belmo: And it's important to know red because...

*(show a car running a red light and crashing)*

Belmo: Wow, how amazing! What are those:

*(Narrator hands Belmo blue flower, a bee is heard)*

All: A bee and some flowers!

Belmo: Now you can sniff the flowers!

*(The kids sniff both of the flowers and the bee stings each one)*

Belmo: Ah, isn't it nice?

Narrator (entering): Um, Belmo? The test results came back. You should take a look at this. Here.

*(Narrator hands Belmo a piece of paper.)*

Belmo: Oh yeah, your allergy results came back. The following kids are allergic to bees: Jimmy. Lila. Emma. ClaireZ. Ariella. Vered. Josh.

*(as Belmo says each name, they collapse)*

Belmo: Ok, um...it seems like they're all gone...but Tif.

Tif: I'm allergic to flow- *(Tif collapses)*

Belmo: Ok, well, it seems like Tif has fallen as well, so it looks like the show is over!

Narrator: See you next time!

*<curtain opens on Mickey Mouse with an audience of kids>*

Mickey: Do you see my clubhouse?

Kids: *<sarcastic/mean>* It's right behind you!!!

Mickey: Oh, there it is! And we all live happily ever after.. That's it for today's show! *<everyone sings as they leave, Mickey waves goodbye>* M-I-C! See ya real soon! K-E-Y! Why? Because we like you! M-O-U-S-E! *<Mickey waves for the camera – and then suddenly drops the act.>*

Mickey: I can't believe those kids acted like that. They were only supposed to say "Yes" and point. AARGH! I KNOW THAT YOU SEE THE CLUBHOUSE BEHIND ME! Sheesh! Snotty nosed little...

Stitch: Hey, what's up, Mickey?

Mickey: *<happy sing-song voice>* Just me and the sun and *<mean voice>* that puppet over there that's constantly staring at me.. *<points to Belmo sitting in a chair to the side of the stage>*

Stitch: Um, that's a little creepy.

Mickey: Yeah. *<pushing sleeves up>* I'm going to go stick my hand...

Stitch: Sounds like you might be a little hangry. Ready for lunch? Lets go!

Mickey: Okay let's go.

Elsa: Is someone starting a sing-a-long? *<sings>* Let it go. Let it go. Can't hold it back anymore.

Mickey: I'm not going to be able to hold my barf back anymore.

*<Stitch laughs and fist bumps with Mickey>*

Elsa: Hey, Mulan! Hold my cape so I can teach these funny guys a lesson.

Mulan: I don't do laundry. Doesn't anyone know my story?!

Elsa: Yeah, yeah, yeah. Dresses like a guy, goes off to fight in the war, sings a few songs that no one remembers. Kicks everyone's...

Mulan: Hey!! They remember that one song. Um, how does it go? Something about a mirror. Or was it a mask? Shoot, I can't remember.

Mickey: Hiya, Elsa! How about you and me go check out my clubhouse?

Elsa: Thanks, but you're not my type, Mickey.

Mickey: 'Cause I'm a mouse?!

Elsa: Yeah, let's go with that. *<starts singing Let It Go again>*

Mulan: Must you do that? We all know you have the most popular song of everyone at Disney.

Galinda: Did someone say Popular? *<looks at Mulan>* You know, with a make-over, maybe a pretty dress and a hat, I know I can make you popular, too.

Mulan: *<rolls eyes and storms off>*

Stitch: Hey, no one gets left behind! Wait for us, Mulan!

Mickey: That's just for family, Stitch.

Stitch: *<overly sweet>* Well, we're all part of the Disney family.

Mickey: Ha. Not that guy *<points to Belmo as they all exit>*

Belmo: *<turns to audience and sings off-key>* La-la-la-la. La-la-la-la. Belmo's World!

**Summary:** Parody of Taylor Swift's Cruel Summer.

#### Script:

Original	Parody
Fever dream high in the quiet of the night You know that I caught it Bad, bad boy Shiny toy with a price You know that I bought it	
Killing me slow, out the window I'm always waiting for you to be waiting below Devils roll the dice, angels roll their eyes What doesn't kill me makes me want you more	Killing me slow, a few weeks to go Falling asleep during my teacher's slideshow. Devils roll the dice, angels roll their eyes. What doesn't kill me makes me to leave
And it's new, the shape of your body It's blue, the feeling I've got And it's ooh, whoa, oh It's a cruel summer It's cool, that's what I tell 'em No rules in breakable heaven But ooh, whoa oh It's a cruel summer With you	And I'm free, free for the summer No school, no more homework At the pool, with my best buddies And it's ooh, whoa, oh It's a cruel summer
Hang your head low In the glow of the vending machine I'm not dying You say that we'll just screw it up in these trying times We're not trying	
So cut the headlights, summer's a knife I'm always waiting for you just to cut to the bone Devils roll the dice, angels roll their eyes And if I bleed, you'll be the last to know	
Oh, it's new, the shape of your body It's blue, the feeling I've got And it's ooh, whoa, oh It's a cruel summer It's cool, that's what I tell 'em No rules in breakable heaven But ooh, whoa, oh It's a cruel summer With you	
I'm drunk in the back of the car And I cried like a baby coming home from the bar (oh) Said, "I'm fine, " but it wasn't true I don't wanna keep secrets just to keep you	I'm asleep in the back of my class And I'm dreaming of running through fields of grass Saying, "I'm fine," but it wasn't true Cause I wake up all at once and I'm still in school
And I snuck in through the garden gate Every night that summer just to seal my fate (oh) And I screamed for whatever it's worth "I love you, " ain't that the worst thing you ever heard? He looks up grinning like a devil

## MUSIC VIDEO: SUCH A HAPPY DAY (MRS. KNIGHT)

**Actors:** The teachers of BCMS

**Summary:** Kids are gone. Teachers are happy.

**Script:**

*To the tune of "California Dreamin'"*

Teacher 1: They're gone!

Everyone else: Chorus of affirmative responses, with nods and smiles as the music starts. Someone throws papers in the air. Everyone runs down the hall.

Buses finally left.

And though we have to stay.

We'll run through the halls.

It's time for us to play.

We'd be sad and tired.

If it was only May.

All the kids are gone.

It's such a happy day!

Stepped into my room.

No one had disobeyed.

Well I sat down on my chair

And there was nothing to say.

No one asking questions

I've answered forty-six ways

All the kids are gone

It's such a happy day!

<Instrumental>

Buses finally left.

And though we have to stay.

We'll run through the halls.

It's time for us to play.

We'd be sad and tired

If it was only May.

All the kids are gone.

It's such a happy day!

<teachers cheer and high-five each other>

Mr. Hunter <spoken>: something to the effect of "All teachers, report to the library for six hours of meetings."

<Teachers sad and dejected again, trudge toward the library.>

**Summary:** Actor watches an ad for an app to block ads on their device and installs it – but then can't see the ad to block ads anymore.

Ad person: Aren't ads always in the way? You're trying to watch a movie for free and an ad pops up. Or you're trying to play a game and you get interrupted by an ad! Well, this app will solve that problem.

\*holds up phone\*

\*flips through the pieces slowly while saying this:\*

It's very cheap, only five dollars!

\*flips to the app\*

Just open it and turn it on, and it will run in the background, blocking all ads, and automatically blocking all apps that you bought from another ad! Including this one! Of course, you could always turn off that feature, if you manage to unlock it. Good luck with my app!
